

SUMALABS STUD SERVICE POLICY

We offer all of our boys at stud, Natural mating or TCI using our local specialist VRC (Veterinary Reproduction Consultancy).

Payment for the stud service fee is due at the time of mating. Once payment has been received we will provide you with a signed service certificate. Our price is \$2000.

The \$2000 fee covers two natural matings (slip or tie) typically 48 hours apart, if opted for TCI that is up to the owner of the bitch to decide if they want to perform the 1 or 2 procedures the fee is \$2000 regardless. Anything different to the above will require a special request and to be negotiated by both parties.

It is the responsibility of the bitch owner to ensure the bitch is ready for mating, the stud fee includes up to 4 days of boarding, anything different again will require negotiation between both parties.

The stud fee is non-refundable, however if the bitch fails to fall pregnant or only has 2 live puppies the next mating is done free of charge.

If you have any other questions please do not hesitate to ask, we are here to help.

Regards,

TOBY & CHANTELLE WEBB
